

THE WIZARDING WORLD OF CHIROPRACTIC

Well, another summer has come to a close!! Tri-State Clinic of Chiropractic has had the pleasure of introducing thousands of people to true chiropractic care by “breaking the spell” of feeling hopeless, to helping improve their quality of life! Don’t you think that this is something worth celebrating?! Join us on October 29th or October 31st for our “WIZARDING WORLD OF CHIROPRACTIC” themed **PATIENT APPRECIATION DAYS!!!**

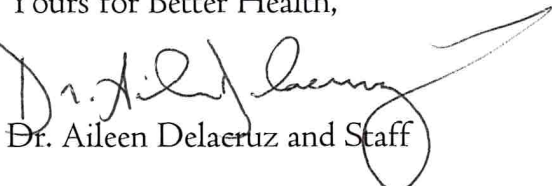

For our *PATIENT APPRECIATION DAY* on October 29th, all EXISTING patients (who schedule an appointment) will receive an adjustment for just \$20!! Then, on October 31st, any NEW patient, such as family and friends you invite, will receive a consultation, exam and any necessary x-rays for only \$20 (up to a \$460 value) to see if chiropractic care can benefit them as well!!!!

We will also be doing FREE scoliosis screenings for children 14 and under. If you’re not aware of what scoliosis is, ask Dr. Delacruz. She will explain to you how important it is to have your children checked. As always, there will be plenty of “muggle” food, “goblin” goodies, and “wizarding” gifts available!!

This year, all proceeds collected will go to the **Local Women and Children Shelter for the Safe Haven**. Please bring in \$20 or \$20 worth of much needed items listed on the back, to your scheduled appointment.

On this day, we remember that if it wasn’t for you and the results you receive, or all the good things you say about us, we would not be helping nearly as many people with their health through chiropractic!! **SO, DON’T BE AN ORDINARY MUGGLE and ADD SOME MAGIC TO YOUR DAY!!!** Call and schedule your appointment for yourself, friends, and family at 618.262.2222! Don’t delay, there is only so much time in a day, so appointments are limited!!

Yours for Better Health,

Dr. Aileen Delacruz and Staff
